Network...c (Bytes)

(i)

Select runs tha
logged
system/network.r
to visualize data
this line chart.

Disk I/O l...:ion (MB)

(i)

Select runs that
logged
system/disk.dm-
0.in
to visualize data
in this line chart.

Disk Utili...tion (GB)

(i)

Select runs tha
logged
system/disk./.usa
to visualize data
this line chart

Disk Utilization (%)

(i)

Select runs that
system/disk./.usa
to visualize data i
chart.

Process (...ds In Use

(i)

Select runs that l
system/proc.cpu.t
to visualize data
line chart.

Process I...ıble (MB)

(i)

Select runs t
system/proc.mem
to visualize data i

Process I...ı Use (%)

(i)

Select runs tha
system/proc.mem
to visualize data
chart.

Process I...Use (MB)

(i)

Select runs tha
system/proc.mem
to visualize data i
chart.

System N...ation (%)

(i)

Select runs that
system/memory_
to visualize data
line chart.

Process (...ation (%)

ⓘ

Select runs that
logged
system/cpu
to visualize data
in this line chart.
